Arts and Sciences

Greetings,

All too often I hear statements that hold us back from being creative. Comments, such as: "my handwriting is too awful to do calligraphy", I can not draw a straight line", "I'm not crafty". There are those great masters of art and science that may intimidate our lowly skills. Seriously, who wants to be another Van Gogh or Pollock? When you say to yourself that you "can't", remember these words:

Creativity Takes No Excuses

If it's important enough, you will make time for it.

If you do not know where to start, start anywhere.

If you feel stuck, ask someone to help you out.

If you are tired, take a timed break.

If you don't know how to do it, try doing what you can.

If you believe that you can do it, you will. (Anonymous)

I am always available to help you dip that quill, draw that line or craft an item. If not me, I know some one who is more than willing to help you in any creative journey that you choose to take. Just Try!

Longs Peak Scottish Irish Festival Demo

It's time to start thinking about the Longs Peak Scottish Irish Festival Demo in Estes Park. This year we are looking for fighters, fencers, archers, artisans and Hospitaller types, to participate in the demo on Friday, September 11th through Sunday, September 13th, 2015. We need participants who can work anything from one day to all three days. You will receive free entry passes and free parking passes, for the days you work, and will be given some time during the day to go off and enjoy the festival.

Participants are expected to be in garb between the hours of 8 AM and 5 PM each day. Overnight camping is available in the living history area, but all modern tents must be taken down daily. We will provide some food for breakfast and lunch, but expect a brass-bowl donation from those who partake. In addition there will be water, hot water, tea and coffee available. Loading/unloading times when you can drive down to the living history area are between 6 AM – 8 AM and 5:30 PM – 8:30 PM daily.

We would like to increase the number of craft demos going on during the day. We have had great response for the wood carving, calligraphy & illumination, leather working and weaving demos over the past couple of years and would like to expand on this.
I'm thinking chain mail, jewelry making, arrow fletching , bead making and maybe even candle making are possibilities.

If you can think of anything else and would like to give it a try, please call me and we will discuss your needs. Please bring your own chairs & stools (as period as possible or bring covers for them); we will have tables but chairs are hard to come by. If your craft requires pounding on things, you might want to bring your own table, as well.

Come and get your fill of bagpipes, herding demonstrations, kilts, Estes Park and show off what we do to an international crowd.
This demo is lots of fun and great exposure.
If you're interested, please call me at 303-452-0717 or send an email to thlailinn@hotmail.com

A Note from the Chronicler and the Fine Print

Greetings,

As you have noticed there have been some changes to this months Fortress. This is still a work in progress, so next month the rest of the changes will take place.

The main change you will probably notice is the absence of a calander in this edition. I felt that this was redundent, especially since many of the subscribers are able to use the Kingdom event calander found online at www.online.outlands.org/event-calendar/. I also did this to cut printing and shipping cost for the few editions that need printed every month.

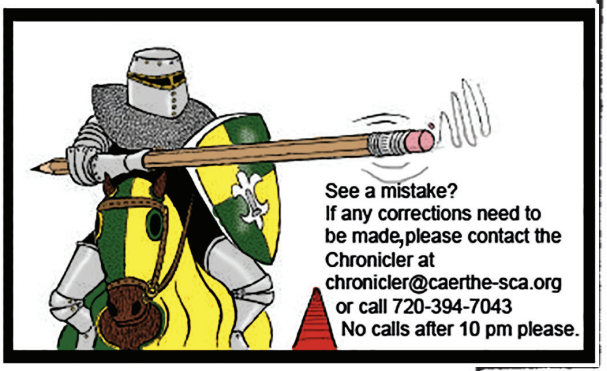
I am also extending the deadline to the 20th of each month. I do this because some have requested this of me. I would still like the articles by the 16th if all possible, but will accept them up to noon on the 20th.

As you have seen on the cover, I am holding a contest. This means it is up to you, the populace to come up with a cover for the next edition of the Fortress. I will need a release form for any artwork you turn in, or model release forms for every person in a photo you give.

Until next month,
YIS
Ld. Rian Mac an Ghobhann

The deadline for submissions to The Fortress is the 20th of the month prior to publication.
Any photos, artwork, or articles submitted outside of Officer Letters or Event Flyers will need to have the accompanying Re-lease Form included. These forms can be found on the Kingdom webpage here: http://www.online.outlands.org/forms
No mundane names, contact information (personal E-Mail addresses or phone numbers), or photos of individuals can be published with-out the appropriate release form being provided.
Last page advertisements are available at no charge for Barony members who provide an SCA-related service. (Sorry...no home refinancing or telecommunications discounts!)

Disclaimer:
All information within this edition of The Fortress is assumed accurate at the time of publication. This information may change at any time, as announced on the Baronial and/or Canton Yahoo groups.
Any inaccuracies or missing information are not intentional. Please send any corrections to chronicler@caerthe-sca.org.
If you have any suggestions on how to improve The Fortress, please seek out Lord Rian Mac an Ghobhann or send your feedback to the E-Mail address above.



See a mistake?
If any corrections need to be made,please contact the Chronicler at chronicler@caerthe-sca.org
